**POP  
CORN**

# **RULES**

For your safety and the enjoyment of others,  
please comply with the following rules.

1. Large vehicles are not allowed in the first 3 rows. This includes trucks, vans, SUVs, and any vehicle over the height of the arrow on the box office window.

2. Hatches should be tied down to roof level so they don't obstruct the sight lines of the people behind you.

3. No toes or tailgates across the white line. Everything should be behind the white line that is between you and the screen - including people, chairs, ice chests, and your front/rear bumper or tailgate. This helps maintain safety and provides the required exit aisle and access for emergency vehicles.

4. You must be above ground level if you are sitting outside of your vehicle. No lying on the ground on a blanket or mattress.

5. No outside food or drinks permitted without purchasing a food permit at the box office. Bringing in outside food and not purchasing a food permit may result in ejection.

6. Absolutely no grills, bbq's, firepits, or other sources of fire.  
Burning of citronella candles is allowed.

7. No smoking except in the designated smoking area (see diagram). This includes cigarettes, cigars, vaping, and other smokables. Look for the blue lights. You may smoke in your vehicle within the smoking area.

8. Please turn off your engine, headlights, and other lights during the show.

9. Please show respect to other patrons, and help us keep the drive-in a family friendly environment.

10. Run your engine at intermission to avoid a dead battery. If you need a jump start, ask at the snack bar.

Management reserves the right to modify or change rules as needed. Failure to comply with the request of our lot person or theatre staff will result in ejection without a refund.

Sorry, no in or out privileges. No re-entry once you exit beyond the box office.

**DRIVE SLOW**  
**5 MPH SPEED LIMIT**
